I agree the statements made above are true, and if found not to be true, any zoning permit that may be issued may be void. Further, I agree to comply with the conditions and regulations provided with any permit that may be issued. Further, I agree the permit that may be issued is with the understanding all applicable sections of the Green Township Zoning Ordinance will be complied with. Further, I agree to notify the Zoning Administrator of Green Township for inspection before the start of construction and when locations of proposed uses are marked on the ground. Further, I agree to give permission for officials of Green Township, Alpena County, and the State of Michigan to enter the property subject to this permit application for purposes of inspection. Further, I hereby certify that the proposed work is authorized by the property owner, and that I have been empowered by the owner to make this application as his/her selected agent. Finally, I understand this is a zoning permit application (not a permit) and that a zoning permit, if issued, conveys only land use rights, and does not include any representation or conveyance of rights in any other statute, building code, deed restriction or other property rights.
